#### **Bruce Mountain**

Bruce is a Melbourne based energy economist with 26 years' experience in this field. He is a specialist in the economic regulation of networks and in the design of electricity markets and renewable energy policies. His clients have included energy regulators, government departments, industry and its associations, energy users and their associations, lenders, investment banks, other consultancies and various non-governmental organisations. He has worked mainly in Australia, Britain and South Africa but has undertaken assignments in numerous other countries. He has a Bachelor's degree in Electrical Engineering and a Master's degree in Power Systems Engineering from the University of Cape Town, a PhD in Economics from Victoria University and is qualified as a Chartered Management Accountant in England. Bruce is Director of CME Australia: <http://cmeaustralia.com.au>
